LIFEBUILDERS, W. Michigan (a ministry of Campus Crusade for Christ)

CCC Account #0029870

**BIBLICAL BASIS:** Luke 8:1-3 Jesus began going about...preaching the kingdom of God, and the **twelve were with Him, and also some women... and many others who were contributing to their support out of their private funds.**

We are excited to see how **God has used "support teams" throughout scriptures and church history.** Imagine being on Jesus' "support team"...or Paul's!! God continues to touch lives through these same principles today. Like Jesus and Paul, we are helped greatly by your support to stay on the "Front Lines" of ministry. Like the Philippians, you have a part in every life touched by this ministry,,,"Living Dividends".

Philippians 4:10How grateful I am and how I praise the Lord that you are helping me again...

:14 but even so, you are doing right in helping me.;:15As you well know, when I first brought the gospel to you..., only you Philippians became my partners in giving and receiving...

:16 Even when I was over in Thessalonica you sent help twice.:1 But though I appreciate your gifts, what makes me happiest is the well earned reward you will have because of your kindness.

## **BENEFITS:**

Our **prayer base is stronger** because several churches and many individuals support us. *More people give thanks and strengthen their faith when they see fruits of their giving, answered prayer. Regular reporting to our support team really challenges us to know what God is calling us to do and pursue it with our very best. Seeing fruit here stimulates faith and involvement world-wide.*

## **INTEGRITY:**

"Money" Magazine rated Campus Crusade for Christ as **"The most efficient religious organization in America"**. Their Dec. '94 issue reported that Campus Crusade has **the highest percentage of income going to direct programs which help people.**

## **POLICIES AND PROCEDURES:** (Powerful Accountability)

**All finances** (salary, reimbursements for ministry expenses, medical, etc.) **are governed by a National Policy** using *Standard Procedures and forms* signed by Local Directors. Our salary (set by Nat'l policy) is based on Kurt and Ginger both working only for CCC, no other employment allowed.

**We raise support for all Ministry, Medical, Salary, Benefits, and Administrative Expenses**  
**There are no Agency or Denominational fund/pools to help meet our needs.**

All Ministry expenses: (training / conferences, ministry communications, office, transportation, materials, events, meals)=

Med /Benefits Plan= Salary, Kurt= Ginger, TDAnnuity=

Add'l med. expense = Admin.7%= Int'nat'l/minority Ministries 5%= LB Nat'l Leadership 1%=

**All money sent to our CCC account #0029-870 goes only toward our ministry.**

**Any "extra" stays in our account, only used by us, only according to policy and approval procedures.**

**Any shortage in our account means reduced salary and less reimbursement. National Policy requires us to stop ministry if we have a prolonged deficit. We must have sufficient monthly support to minister effectively.**

+ CCC does not "bill" you for your pledges. They do send you receipts and totals. **\*\* It helps us greatly if you let us know(directly) of any changes in your support plans\*\* Your faithfulness keeps us free and focused on our ministry.**

+ **Our final confidence is in God.** He will call and enable you and others to help meet our needs so we can help others. *We trust Him* to make us a fruitful missions investment. Each newsletter will report *dividends in changed lives.*
