### 4. The Biblical Pattern:

First, **recognize that I am lost**, Separated from God; (God really exists, He defines the terms of relationships; He is holy, I am sinful...)

Second, **ask/trust God to rescue me, give new life**, new identity (because He invites me to trust Him to forgive , adopt, indwell, and transform me in ways I can never do myself)

Third, **how to practically live that new life** (because He lives in me, I am in Him, **I trust Him to live through me**, to empower me , transform me from the inside out)

#### 3 phases of "saved";

1. Have been saved (from Penalty of sin)
2. Being saved (from Power of sin)
3. Will be saved (from Presence of sin)
